

ADVANCED FATE Course

(Focus Assessed Transthoracic Echocardiography)

20.10.2019 Linz, Austria

Cutting Edge E-learning & Workshop

Interactive e-learning programs present the theory prior to the one day hands-on workshop. The focused workshop is 100% dedicated to practice training.

Objective

Advanced FATE (e-learning + one day HOT* course): Basic FATE supplied with extended cardiac views and Doppler ultrasound for cardiac output and pressure measurement together with assessment of left ventricle diastolic function.

Faculty

Course Director	Alexander Kulier, M.D.
EKH Linz Co-Founder	Danijela Debelic, M.D.
Chief Instructor	Michael Kellermayr, M.D.
Instructors	Daniel Konrad, M.D. Miklos T. Gal, M.D. Regina S.-Mascherbauer, M.D.
Administrator	Diana Thürriedl

Our team was trained by Prof Eric Sloth, Aarhus, DK, inventor of the famous FATE protocol.
