

**Hodenlageprotokoll (Testicular position protocol)**

**Important:** Left and right side in the view of the child

Examine the location of the testes in a cross-legged position in a warm and relaxed atmosphere (e.g. in a bathtub)

Date	morning		noon		evening	
	left	right	left	right	left	right

If the testis is not palpable in the scrotum fill in a minus (-)

if the testis is palpable in the scrotum fill in a plus (+)
