

Dear Parents!

For administrative purposes when being admitted, we need:

- ✓ E-Card or your Social/National Insurance number
- ✓ Additional insurance: Policy number or card of your supplementary insurance. Please clarify with your insurance company whether you have complete insurance coverage for your child in advance
- ✓ Mother-Child-Insurance: Policy number and/or your Mother-Child-Insurance card
- ✓ If not insured in Austria: European Health Insurance Card (in case of emergency) or S2/E112 form (for planned health treatment in Austria)

For the medical care, we kindly ask you to bring along the following:

- ✓ Consent form for the Operation, if already filled in and completely
- ✓ Mother-Child-Pass if available
- ✓ All necessary medical preliminary findings (for example, in cases of heart problems, any current cardiac ultrasound), external isotopic examinations, radiographs and laboratory results
- ✓ All medical records of preexisting conditions such as allergies, chronic health problems
- ✓ Medication list (name of medication, dosage)
- ✓ If your child needs special medication, please bring these along to cover the first few days!

Did you pack the following items?

- ✓ Pacifier, baby bottle
- ✓ favorite toys
- ✓ Pyjama
- ✓ Slippers

Accompanying persons:

- ✓ Items for personal hygiene, pyjama, slippers, comfortable private clothes

We would kindly ask you not to bring any valuables and large amounts of money, since we cannot take any liability for such items.
